Sure thing Deldi. To be honest, I would prefer somewhere near the SF office as well, but I am flexible. I'll check in with Adrienne today and get back to you.

Eric, can you find out from Adrienne if she also wants to participate? If so, I can make us reservations at Piazza (around the corner). It would probably be easier for her if we ate in the City.

If not, we can go for Oakland.

Priyanka left me in charge of this while she is out of the office. We communicated over the weekend about it.

The reason I thought it would be good for Adrienne and Roger to connect is because of Exide and the lead-based paint issues / plans DTSC is working on that Roger can discuss.

Hey Eric and Adrienne,

Did either of you have time to have dinner (most likely in Oakland) with Roger Kintz from DTSC, Chuck, and me? You're welcome to invite others, of course.

It will be after the Bayview Hunters Point EJ Task Force meeting, probably around 5:30 or 6:00pm on December 16<sup>th</sup>.

I'm going to be out of the office on Monday and Tuesday, but I think Deldi and Chuck can put in a calendar invite once we have a place picked out. (If I had sent one out now, nobody would be able to edit the time/location.)

Thank you,

Priyanka
